These Terms and Conditions together with the enrollment materials are your Agreement ("Agreement") for electric generation service with Energy Harbor LLC ("Energy Harbor"). Please keep a copy for your records.

Energy Harbor is certified by the Illinois Commerce Commission ("ICC" or "Commission") to offer and supply electric generation services in Illinois. As an Alternative Retail Electric Supplier ("ARES"), Energy Harbor will supply the electric generation to your Electric Utility ("EU") based on your usage. Your EU then distributes or delivers the electricity to you. Energy Harbor sets the generation prices and charges that the customers pay. The ICC regulates distribution prices and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

**Definitions:** *Generation Charge* – Charge for the production of electricity. *Transmission Charge* – Charge for moving high voltage electricity from a generation facility to the distribution lines of the EU. *Distribution Service* – Basic service for delivering electricity over a distribution system to a customer from the transmission system.

**Right of Rescission:** Once you have been enrolled to receive generation service from Energy Harbor, your EU will send you a confirmation letter. You have the right to rescind your enrollment within ten (10) calendar days following the postmark date of the confirmation letter by contacting Energy Harbor or your EU. The Right of Rescission only applies when a customer switches to a generation supplier and not on renewal enrollments. Your EU will not send a confirmation notice upon any renewal of this Agreement.

**Eligibility:** Only eligible residential customer accounts may enroll in this offer from Energy Harbor. Customers currently participating in the Percentage of Income Payment Plan ("PIPP") and customers that have received financial assistance in the previous 12 months from the Low-Income Home Energy Assistance Program are not eligible for this offer. Energy Harbor reserves the right to refuse enrollment to any Customer with an outstanding balance.

**Basic Service Prices:** During the term of this Agreement, you agree to pay Energy Harbor a fixed price for combined electric Generation and Generation Related Charges, specified in the table above. Your Price to Compare ("PTC") consists of bypassable transmission, generation and transmission and generation related components, which are charges associated with the costs of purchased power and the cost to deliver the power through the transmission system. These are the charges that you would avoid for that billing period when you switch to Energy Harbor. In addition to Energy Harbor's charges, you will be charged by your EU for distribution and various other charges.

**Length of Agreement:** Your service from Energy Harbor will commence with the next available meter reading following the applicable ten (10) day rescission period, the acceptance of the enrollment request by Energy Harbor, and the processing of the enrollment by your EU. Your service will continue until the meter read date for the last month of service as specified in your offer materials from Energy Harbor.

**Billing:** You will receive a consolidated bill monthly from your EU for both your Energy Harbor and EU charges. Energy Harbor does not offer budget billing. If you do not pay your bill by the due date, Energy Harbor may cancel this Agreement after giving you a minimum of fourteen (14) days written notice. Upon cancellation you will be returned to your EU as a customer. You will remain responsible to pay Energy Harbor for any electricity used before this Agreement is cancelled, as well as any late payment charges. Energy Harbor reserves the right to convert you from consolidated billing to dual billing if such a conversion will facilitate more timely billing, collections, and/or payment. Furthermore, your failure to pay EU charges may result in your electric service being disconnected in accordance with the EU tariff.

**Penalties, Fees and Exceptions:** Your EU may charge you switching fees. If you do not pay the full amount owed Energy Harbor by the due date of the bill, Energy Harbor may charge a 1.5% per month late payment fee.

**Cancellation/Termination Provisions:** You may terminate this Agreement, without penalty, for any reason. Energy Harbor will make commercially reasonable efforts to provide your electric service but does not guarantee a continuous supply of electricity.
