These Terms and Conditions together with the enrollment materials are your Agreement (“Agreement”) for electric generation service with Energy Harbor LLC (“Energy Harbor”). Please keep a copy for your records.

Energy Harbor is certified by the Illinois Commerce Commission (“ICC” or “Commission”) to offer and supply electric generation services in Illinois. As an Alternative Retail Electric Supplier (“ARES”), Energy Harbor will supply the electric generation to your Electric Utility (“EU”) based on your usage. Your EU then distributes or delivers the electricity to you. Energy Harbor sets the generation prices and charges that the customers pay. The ICC regulates distribution prices and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

Definitions: *Generation Charge* – Charge for the production of electricity. *Transmission Charge* – Charge for moving high voltage electricity from a generation facility to the distribution lines of an EU. *Distribution Service* – Basic service for delivering electricity over a distribution system to a customer from the transmission system.

Right of Rescission: Once you have been enrolled to receive generation service from Energy Harbor, your EU will send you a confirmation letter confirming a switch of your electricity supplier. You have the right to rescind your enrollment within ten (10) calendar days following the postmark date of the confirmation letter by contacting Energy Harbor or your EU. The Right of Rescission only applies when a customer switches to a generation supplier and not on renewal enrollments. Your EU will not send a confirmation notice upon any renewal of this Agreement.

Eligibility: Only eligible residential customer accounts may enroll in this offer from Energy Harbor. Customers currently participating in the Percentage of Income Payment Plan (“PIPP”) and customers that have received financial assistance in the previous twelve (12) months from the Low-Income Home Energy Assistance Program are not eligible for this offer. Energy Harbor reserves the right to refuse enrollment to any customer

with an outstanding balance.

Basic Service Prices: During the term of this Agreement, you agree to pay Energy Harbor a fixed price plus monthly service fee, if applicable, for combined electric generation and generation related charges, specified in the table above. Your Price to Compare (“PTC”) consists of bypassable transmission, generation and transmission and generation related components, which are charges associated with the costs of purchased power and the cost to deliver the power through the transmission system. These are the charges that you would avoid for that billing period when you switch to Energy Harbor. In addition to Energy Harbor’s charges, you will be charged by your EU for distribution and various other charges.

Length of Agreement: Your service from Energy Harbor will commence with the next available meter reading following the applicable ten (10) day rescission period, the acceptance of the enrollment request by Energy Harbor, and the processing of the enrollment by your EU. Your service will continue for the length of the service period specified in your offer materials from Energy Harbor.

Billing: You will receive a consolidated bill monthly from your EU for both your Energy Harbor and EU charges. Energy Harbor does not offer budget billing. If you do not pay your bill by the due date, Energy Harbor may cancel this Agreement after giving you a minimum of fourteen (14) days written notice. Upon cancellation you will be returned to your EU as a customer. You will remain responsible to pay Energy Harbor for any electricity used before this Agreement is cancelled, as well as any late payment charges. Energy Harbor reserves the right to convert you from consolidated billing to dual billing if such a conversion will facilitate more timely billing, collections, and/or payment. Furthermore, your failure to pay EU charges may result in your electric service being disconnected in accordance with the EU tariff.

Penalties, Fees and Exceptions: Energy Harbor does not charge you switching fees. Your EU or other ARES may charge you switching fees. If you do not pay the full amount owed Energy Harbor by the due date of the bill, Energy Harbor may charge a 1.5% per month late payment fee.

Cancellation/Termination Provisions: You may terminate this Agreement at any time, without any termination fees or penalties, for any reason. Energy Harbor will make commercially reasonable efforts to provide your electric service but does not guarantee a continuous supply of electricity. Certain causes and events are out of Energy Harbor’s reasonable control (“Force Majeure Event(s)”) and may result in interruptions in service. Energy Harbor will not be liable for any such interruptions caused by a Force Majeure Event, including but not limited to, acts of God, war, civil disturbance, insurrection, terrorism, fire, flood, earthquake, acts of default of common carriers, strikes, boycotts, pandemic, unforeseen maintenance, unforeseen shutdowns or deficiencies of sources of supply, inability to access the local distribution utility system, nonperformance by the EU or other similar circumstances beyond Energy Harbor’s reasonable control. Upon termination, if you do not choose another ARES you will return to the applicable tariffed services provided by your EU as required by 220 ILCS 5/16-103 and defined by your EU’s rates on file with the ICC pursuant to 220 ILCS 5/Art. IX (“Tariffed Service”).

Customer Consent and Information Release Authorization: By choosing to accept this offer from Energy Harbor, you understand and agree to the terms and conditions of this Agreement with Energy Harbor. You authorize Energy Harbor to obtain information from the EU that includes, but is not limited to: account name, account number, billing address, service address, billing history, payment history, historical and future electricity usage, meter readings, and characteristics of electricity service. You authorize Energy Harbor to release such information to third parties and to Energy Harbor’s affiliates and subcontractors. These authorizations will remain in effect as long as this Agreement is in effect. You may rescind these authorizations at any time by either calling or providing written notice to Energy Harbor at the contact information provided herein. Consistent with applicable law, Energy Harbor uses uniform income, deposit and credit requirements in determining whether to offer service to our customers. You hereby authorize Energy Harbor to perform a credit check on you. If you fail to pay your invoices on time, you authorize Energy Harbor to report such failures to one or more credit reporting agencies. This Agreement shall be considered executed by Energy Harbor following acceptance of your enrollment request by Energy Harbor, the end of any applicable rescission period, and subsequent acceptance of the enrollment by your EU.

Customer Consent to Communications: By signing this Agreement, you agree to receive pre-recorded/artificial voice messages calls and/or use of an automatic dialing device, text messages and/or emails from Energy Harbor or its agents/assigns at any phone number or email address. You agree to be responsible for any charges you may receive on that number, including standard telephone, SMS or text message fees. You may revoke this express consent at any time by calling us at 1-888-254-6359. Such revocation has no bearing on your ability to contract with Energy Harbor.
