These Terms and Conditions together with the enrollment materials are your Agreement ("Agreement") for natural gas commodity service with Energy Harbor LLC ("Energy Harbor"). Please keep a copy for your records.

Energy Harbor is certified by the Illinois Commerce Commission ("ICC" or "Commission") to offer and supply competitive retail natural gas service in Illinois. As an Alternative Gas Supplier ("AGS"), Energy Harbor will supply natural gas to your local natural gas distribution utility ("Utility") based on your usage. Your Utility then distributes or delivers the gas to you. Energy Harbor sets the generation prices and charges that the customers pay. The ICC regulates distribution prices and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

Right of Rescission: Once you have been enrolled to receive natural gas service from Energy Harbor, your Utility will send you a confirmation letter. You have the right to rescind your enrollment within ten (10) business days following the postmark date of the confirmation letter by contacting Energy Harbor or the Utility (see Customer Information Disclosure). The Right of Rescission only applies when a customer switches to a different supplier and not on renewal enrollments. Your Utility will not send a confirmation notice upon any renewal of this Agreement.

Eligibility: Only eligible residential and small commercial customer accounts may enroll in this offer from Energy Harbor. Customers currently participating in Percentage of Income Plan Program ("PIPP") and customers that have received financial assistance in the previous 12 months from the Low Income Home Energy Assistance Program are not eligible for this offer (unless the customer's change in gas supplier is pursuant to a

Commission-approved savings guarantee plan under 220 ILCS 5/19-116(b)). Energy Harbor reserves the right to refuse enrollment to any Customer with an outstanding balance.

Basic Service Prices: During the term of this Agreement, you agree to pay Energy Harbor a price for full requirements of natural gas supply and any other service identified in the table above for the accounts identified during the enrollment process ("Accounts") in accordance with the terms of these Natural Gas Purchase and Sale Terms and Conditions and the Customer Information Disclosure provided herewith (collectively, this "Agreement"). You are responsible for, and your price does not include, applicable state and local taxes and/or Utility charges, which will be billed by the Utility. The "Effective Date" is the date agreed to by both you and Energy Harbor. Both you and Energy Harbor may be referred to herein as a "Party" and, collectively, you and Energy Harbor may be referred to as the "Parties."

Length of Agreement: Your service from Energy Harbor will commence with the next available meter reading following the applicable ten (10) business day rescission period, the acceptance of the enrollment request by Energy Harbor, and the processing of the enrollment by your Utility. Your service will continue for the length of service as specified in your offer materials from Energy Harbor. In the event that any change in any statute, rule, regulation, order, law, or tariff promulgated by any court, governmental authority, utility, pipeline, or other service provider, or any change in operating procedure, alters to the detriment of Energy Harbor its costs to perform under this Agreement, you may receive a notification from Energy Harbor. This notification will include a description of one or more of the situations described above. Energy Harbor may offer you new Terms and Conditions. You must indicate your affirmative consent to the new Terms and Conditions as specified in the notices. If you do not contact Energy Harbor to accept the new terms, this Agreement will terminate on the date specified in the notices, and you may be returned to your Utility for Retail Natural Gas Service. Alternatively, Energy Harbor may decide to terminate this Agreement, and you will receive prior written notice of the termination, after which you may be returned to your Utility for Retail Natural Gas Service. Whether Energy Harbor offers you new terms or terminates this Agreement under this provision, you will not be responsible for any cancellation/termination fee. You must still pay all Energy Harbor charges through the date you are returned to your Utility or switched to another AGS provider for service.

Billing: You will receive a consolidated bill monthly from your Utility for both your Energy Harbor and Utility charges. Such billing and payment shall be subject to the applicable Utility rules regarding billing and payment procedures. Energy Harbor's charges or credits not invoiced through the Utility shall be invoiced directly by Energy Harbor. If Energy Harbor Billing is noted in the Customer Information Disclosure (as opposed to Utility Billing), you shall pay within twenty (20) days from the invoice date. Energy Harbor may correct or cause the Utility to correct previous invoices in the event of invoicing errors. Energy Harbor does not offer budget billing. If you do not pay your bill by the due date, Energy Harbor may cancel this Agreement after giving you a minimum of fourteen (14) days written notice. Upon cancellation, you will be returned to your Utility as a customer. You will remain responsible to pay Energy Harbor for any gas used before this Agreement is cancelled, as well as any late payment charges. Energy Harbor reserves the right to convert you from consolidated billing to dual billing if such a conversion will facilitate more timely billing, collections, and/or payment. Furthermore, your failure to pay Utility charges may result in your natural gas service being disconnected in accordance with the Utility tariff.

Penalties, Fees and Exceptions: Your Utility or other AGS may charge you switching fees. Payments not received by Energy Harbor by the due date are deemed past due and shall accrue interest daily on the unpaid balance from the due date until payment is received at the lesser of 1.5% per month or the maximum amount allowable by law.

Cancellation/Termination Provisions: If this Agreement is not rescinded during the rescission period, enrollment will be sent to your Utility. You have the right to terminate or cancel this Agreement at any time without any termination fee or penalty. In the event that the Agreement is terminated, you will be returned to your Utility's standard service offer. Upon termination with Energy Harbor and return to standard offer service with your Utility, you may not be served under the same rates, terms, and conditions that apply to other Utility customers. In addition to non-payment, Energy Harbor also reserves the right to reject your enrollment or terminate this Agreement for the following defaults: you (a) fail to meet or maintain satisfactory credit standing as determined by Energy Harbor; (b) fail to meet minimum or maximum threshold consumption levels as determined by Energy Harbor; (c) fail to be eligible for Utility consolidated billing or the Utility's purchase of receivables program, if applicable; (d) rescind your authorization detailed in the "Customer Consent and Information Release Authorization" section below; (e) attempt to assign this Agreement without Energy Harbor's consent; (f) provide any false, inaccurate or misleading information to Energy Harbor or the Utility; or (g) you are or become enrolled in the Utility's Percentage of Income Payment Program, Low Income Home Energy Assistance Program, or other credit arrearage programs.

Customer Consent and Information Release Authorization: By choosing to accept this offer from Energy Harbor you understand and agree to the terms and conditions of this Agreement with Energy Harbor. You authorize Energy Harbor to obtain information from the Utility related to the Accounts including without limitation account name, account number, billing address, service address, telephone number, standard offer service type, historical natural gas usage, rate classification, meter readings, characteristics of natural gas supply, and billing and payment information. You authorize Energy Harbor to release such information to third parties and to Energy Harbor's affiliates and subcontractors. These authorizations will remain in effect as long as this Agreement is in effect. You may rescind these authorizations at any time by either calling or providing written notice to Energy Harbor at the contact information provided herein. Energy Harbor reserves the right to determine if your credit standing is satisfactory before accepting your enrollment request. Consistent with applicable law, Energy Harbor uses uniform income, deposit and credit requirements in determining whether to offer service to our customers. You hereby authorize Energy Harbor to perform a credit check on you. If you fail to pay your invoices on time, you authorize Energy Harbor to report such failures to one or more credit reporting agencies.

Customer Consent to Communications: By signing this Agreement, you agree to receive pre-recorded/artificial voice messages calls and/or use of an automatic dialing device, text messages and/or emails from Energy Harbor or its agents/assigns at any phone number or email address. You agree to be responsible for any charges you may receive on that number, including standard telephone, SMS or text message fees. You may revoke this express consent at any time by calling us at 1-888-651-5200. Such revocation has no bearing on your ability to contract with Energy Harbor.
