**Competitive Electric Service:** Energy Harbor (PA License #A-110078) is licensed by the Pennsylvania Public Utility Commission ("PUC") to offer and supply electric generation services in Pennsylvania. As an Electric Generation Supplier ("EGS"), Energy Harbor will supply the electric generation to your local electric utility (referred to as your electric distribution company ("EDC")) based on your usage. This electricity is delivered over high voltage transmission lines to your EDC which then distributes or delivers the electricity to you over distribution lines. Generation prices and charges are set by the EGS you have chosen (Energy Harbor). The PUC regulates distribution prices and services. The Federal Energy Regulatory Commission ("FERC") regulates transmission prices and services. Energy Harbor is not the same company as your EDC; the prices of Energy Harbor are not regulated by the PUC and you are not required to buy electricity or other products from Energy Harbor to receive the same quality of service from your local EDC.

In such an event, Energy Harbor may offer you modified terms and conditions, including without limitation a change in price, in said notices. **You must indicate your affirmative consent to the modified terms and conditions as specified in the notices.** If you do not contact Energy Harbor to accept the modified terms, this Agreement will terminate on the date specified in the notices, and you will be returned to your EDC for Retail Electric Service, unless you have selected another EGS. Alternatively, Energy Harbor may decide to terminate this Agreement, and you will receive prior written notice of the termination, after which you will be returned to your EDC for Retail Electric Service, unless you have selected another EGS. Whether Energy Harbor offers you new terms or terminates this Agreement under this provision, you will not be responsible for any early termination fees. You must still pay all Energy Harbor charges through the date you are returned to your EDC or switched to another EGS for service.

**Price to Compare** – Your local EDC's price to compare may change from time to time. Energy Harbor cannot guarantee savings over the EDC's rates for the entire period this Agreement is in effect. Any potential savings are limited to a comparison against the EDC's price to compare applicable at the time you enter into this Agreement.

**Early Termination Fees:** Except as otherwise provided in this Agreement, Energy Harbor may charge an early termination fee ("ETF") as set forth in the Contract Summary. You will not be charged an ETF if you terminate this Agreement during the Rescission Period or within thirty (30) days of the date on which this Agreement is scheduled to expire, or changes to the terms of this Agreement of which you have been notified are to take effect.

**Customer Consent and Information Release Authorization:** By entering into this Agreement for Retail Electric Service from Energy Harbor, you understand and agree to the terms and conditions herein. In order to process your enrollment, you authorize Energy Harbor to obtain certain information from your EDC that includes, but is not limited to: account number, billing address and history, payment history, historical and future electricity usage, meter readings, and characteristics of electricity service (referred to herein as "Confidential Information"). You will receive the first notice 45-60 days before, and the second notice 30 days before the expiration date or the date the change becomes effective. If you move to a new service address that is outside of your existing EDC's service territory, this Agreement shall be cancelled as of the date of your move without prior notice. You will remain responsible to pay Energy Harbor for any Retail Electric Service used before this Agreement is cancelled.

A confirmation notice of transfer of service will be sent to you by your EDC at which time you may also cancel this Agreement consistent with the instructions provided by your EDC. If you are a renewing customer, your EDC will not send you a confirmation notice, unless otherwise required by law. Energy Harbor may terminate this Agreement for any nonpayment or any other breach of this Agreement upon thirty (30) days' prior written notice to you of such termination. If you fail to cure any nonpayment or breach of this Agreement within the thirty (30) day notice period, we may terminate the Agreement, even if you subsequently cure the nonpayment or breach after such period has expired. Energy Harbor may also terminate this Agreement upon thirty (30) days' prior written notice to you if there is an act beyond our reasonable control or if we are no longer able to serve you.
